

ENGLISH II

SPRING SEMESTERS 2009 – 2012*

PRESENTATION TOPICS:

1. ***“Select or design a (colored) item, piece of equipment, gadget, etc, or a mechanism, or a machine. (pref. an innovative one) and present it.***

The following aspects should be discussed:

- ***its components***
- ***their position in relation to the picture frame and to one another***
- ***their shape***
- ***colors***
- ***materials***
- ***the purpose it is aimed for and/or any possible applications”***

2. ***Give a brief description of the picture below (bet. 30 and 50 words). You should use all the words given on the side of the picture, as well as any other terms included on the unit “Color Harmony”.***

paintings
treasurable
attractive
local artists
souvenirs
warm colours

3. ***“Select or design a piece of equipment, a gadget etc. or a mechanism or a machine or a construction and present it.***

The following aspects should be discussed:

- ***its components or parts***
- ***their position in relation to the picture frame and to one another***
- ***the way in which they are attached and connected to one another***

- ***the purpose it is aimed for*** (for both the piece of equipment/mechanism and the construction) ***and/or any possible applications***”

Note 1: an on-screen presentation is imperative

Note 2: students can have the main points of their presentation in **note form** (e.g. bullets), but NO text is allowed (it would be advisable to present the same notes/main points on screen)

Note 3: the students who deliver a presentation are expected to explain to their audience in plain English any difficult word or specialized term they may use!

Note 4: the sources should also be mentioned

***: Εκκρεμεί ακόμη ένα θέμα σε αυτό το μάθημα για το τρέχον εξάμηνο, το οποίο δεν έχει ακόμη δοθεί.**
